

CORPORATE PROFILE

WHAT SETS US APART?

Stylam, a global leader in decorative laminates and allied products for over 30 years, is renowned for its innovation, quality, and ability to push design boundaries. We cater to diverse customer needs across both domestic and international markets.

Stylam seamlessly blends tradition and innovation, crafting premium laminates, acrylic surfaces, and cladding, while pioneering PU+ Lacquer Coating in India.

OUR VISION

To be a global entity in every arena of our work by delivering value-based solutions.

OUR MISSION

We are a global family with proud Indian roots, committed to provide innovative building material solutions worldwide.

REDEFINE **SPACES** WITH **STYLAM**

34 years of Industry Experience

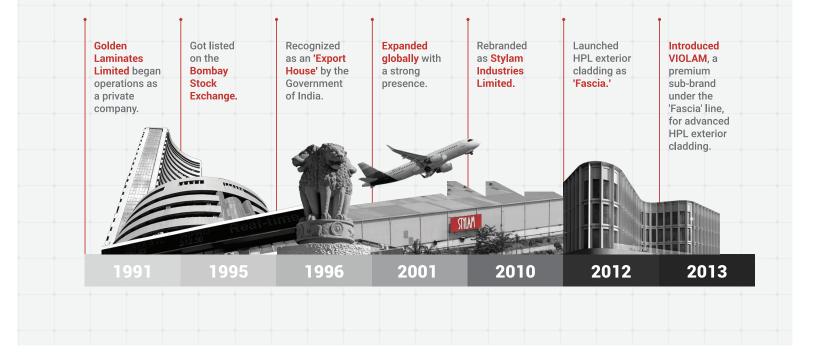

Stylam stands out in the decorative laminates industry with its focus on innovation, quality, and customer satisfaction.

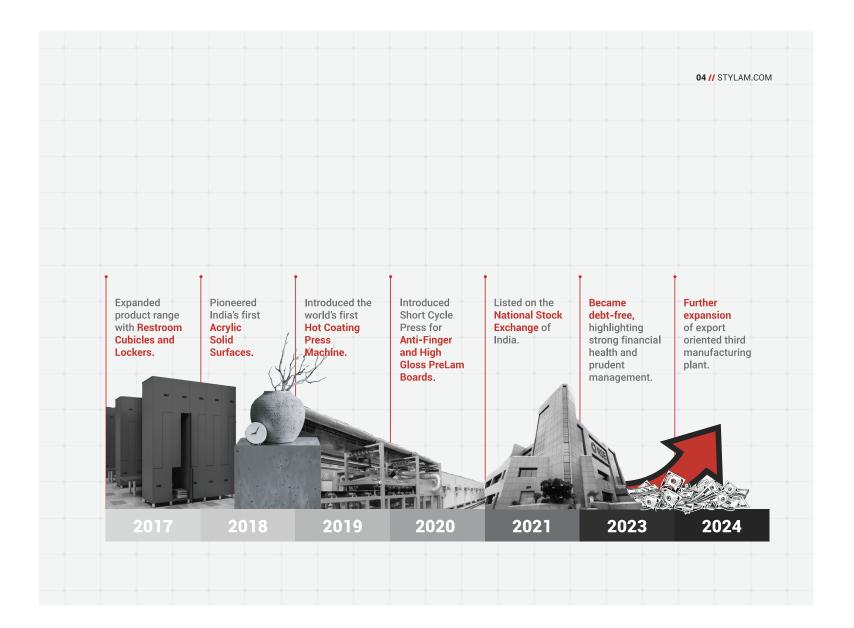

Our commitment to excellence drives us to set new benchmarks, making us the preferred choice for premium surface solutions.

STYLAM: A LEGACY OF MILESTONES

34 YEARS OF GROWTH

With over three decades of experience, we have honed our expertise and expanded our reach, becoming a trusted name in the industry.

2ND Largest In Asia

We operate one of the largest single-location laminate manufacturing plants in Asia, with an annual production capacity of **16 million sheets**.

EXPANDING ACROSS THE GLOBE

Stylam exports to over 80 countries and has a strong domestic presence across 28 states and 8 Union Territories, supported by more than 300 distributors.

LEADING PRODUCTION CAPACITY

We take pride in being the **producers of the largest-sized laminate panels in India** and operating the press with the highest production capacity in Asia.

06 // STYLAM.COM

LARGEST ACRYLIC PLANT

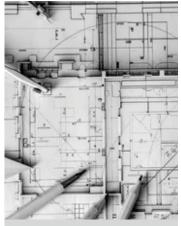

Our acrylic plant has a production capacity of **3 Lakh sheets**, making it the largest facility of its kind in the region.

INDIA'S 1ST HOT COATING MACHINE

We are the first in India to introduce a Hot Coating Process Machine for HPL, producing top-quality, high-gloss, and anti-fingerprint laminates in various ranges.

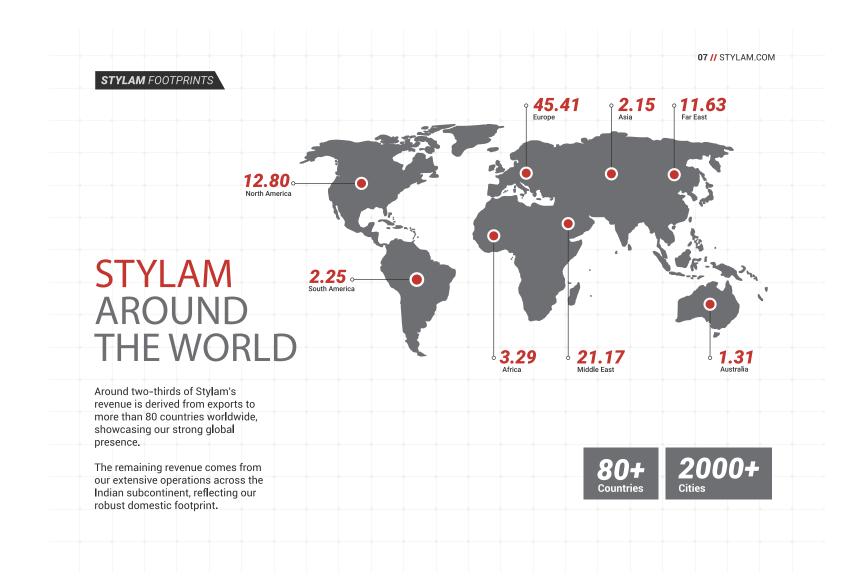

INDIA'S 1ST SCS RECYCLED CONTENT CERTIFIED LAMINATES

Proud to be the first in India with SCS Recycled Content certification, our laminates contain 52% post-consumer recycled wood fiber, reinforcing our sustainability commitment.

LAUNCHING **3RD** MANUFACTURING PLANT

Announcing the launch of our export-oriented third manufacturing plant with **five new press sizes**, enabling the production of globally renowned panel dimensions.

VERSATILE SURFACE SOLUTIONS

Stylam is renowned for its durable and aesthetically appealing laminates, acrylic surfaces, and cladding solutions. With a new short-cycle press for laminating paper on MDF panels, we continue to meet diverse customer needs, reflecting our commitment to innovation and excellence. **01** High-Pressure Laminates

Speciality Laminates

01 HIGH PRESSURE LAMINATES

Our durable and stylish laminates are perfect for furniture, cladding, doors, shelves, and partitions, designed to withstand extreme conditions.

- Decorative Laminates
- Post Forming Laminates

Compact laminates are durable, high-pressure surfaces for both interior and exterior use, offering long-lasting performance in various finishes and thicknesses.

- Rest Room Cubicles & Lockers
- Chemical Resistant Laminates
- Exterior CladdingIndustrial Laminates
- Unicore Laminates

Our exclusive surfaces include anti-fingerprint laminates, durable high gloss finishes, and super matte prelam boards, offering lasting beauty and enhanced functionality for interiors.

- Anti-Fingerprint Laminates
- High Gloss Laminates
- Anti-Fingerprint Prelam Boards
- High Gloss Prelam Board

04 ACRYLIC SOLID SURFACE

Granex acrylic solid surfaces blend the elegance of natural stone with durability, non-porosity, and easy maintenance, making them ideal for high-traffic and hygienic applications.

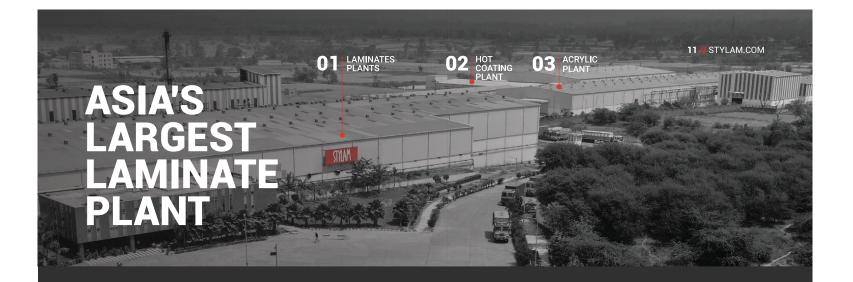

- 100% Acrylic Solid Surface
- Modifiied Solid Surface

05 SPECIALITY LAMINATES

Stylam's specialty laminates offer innovative designs for niche applications, including digital, wood-textured, mirror shield, metallic, unicore, flicker, and versatile chalk, marker, and magnetic laminates.

- Digital Laminates
- Synchro Laminates
- Mirror Shield LaminatesFire Retardant Laminates
- Flicker Laminates
- Magnetic Laminates
- Metallic Laminates
- Chalk & Marker Boards
- Electrostatic Dissipative Laminates

O1 LAMINATE PLANT

The facility specializes in creating premium acrylic surfaces and offers a diverse range of top-quality products.

02 HOT COATING PLANT

Using the patented Hot Coating Process by KLEIBERIT and BARBERAN, this facility delivers superior laminate finishes.

03 ACRYLIC PLANT

The facility specializes in creating premium acrylic surfaces and offers a diverse range of top-quality products.

Stylam excels with ISO, NSF, and Export House awards.

ISO certified with audits and ethical SOPs.

GREENER HORIZONS WITH STYLAM

We uphold ESG principles to drive sustainability, reduce our footprint, and support inclusive growth

5 Year Transformation Plan

Electric Vehicles 4

Transitioning from diesel to electric forklifts will result in a significant reduction of approximately 800 MT of CO emissions over five years.

paper waste from our processes, we preserve over 16,000 fully grown

12 // STYLAM.COM

Waste Management

By recycling all

trees annually.

Solar Power

<u>ج</u>

The existing and new plants have the potential to generate 5.5 MW of solar power, expected to mitigate 3,500 MT of CO emissions, equivalent to removing about 2,000 cars from the road for one year.

Green Initiatives 30

Air emission control, strategic water conservation, and the utilization of renewable energy.

Natural Gas Transition

In the coming year, we plan to transition from non-renewable energy sources for heaters to natural gas (PNG). As a heating fuel, natural gas produces approximately 50% fewer emissions, which will ultimately reduce the carbon footprint of our facilities.

Energy Efficiency Reduced emissions

through cleaner fuels and energy-saving projects.

and community well-being.

DRIVING POSITIVE CHANGE

CORPORATE SOCIAL RESPONSIBILITY

HEALTHCARE

EDUCATION

We improve community well-being by supporting institutions and providing access to primary healthcare.

We support local schools by providing resources such as furniture, fans, swings, and stationery to enhance the learning environment.

CARE FOR SENIOR CITIZENS

We support senior citizens through contributions to old age homes, promoting their overall well-being. We combat hunger and malnutrition through contributions to charitable trusts, promoting health and well-being.

NUTRITION FOR BETTER HEALTH
