INVESTOR PRESENTATION

February 2019

Safe Harbor Statement

This presentation and the accompanying slides (the "Presentation"), which have been prepared by Stylam Industries Limited (the "Company"), have been prepared solely for information purposes and DOES not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis of or be relied on in connection with any contract or binding commitment whatsoever. The Presentation is not intended to form the basis of any investment decision by a prospective investor. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, reliability or fairness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of or any omission from, this Presentation is expressly excluded. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Presentation or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

Certain matters discussed in this Presentation may contain statements regarding the Company's market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the wind power industry in India and world-wide, the Company's ability to successfully implement its strategy, the Company's future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cash flows, the Company's market preferences and its exposure to market risks, as well as other risks. The Company's actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company and the Company is not responsible for such third party statements and projections.

No responsibility or liability is accepted for any loss or damage howsoever arising that you may suffer as a result of this Presentation and any and all responsibility and liability is expressly disclaimed by the Management, the Shareholders and the Company or any of them or any of their respective directors, officers, affiliates, employees, advisers or agents.

The Road Ahead

Stylam: Well-positioned to capitalise on macro-growth opportunities

Global laminates market is estimated to grow at 5.5% CAGR from 2016 to 2023 and reach \$8 billion

Source: India Laminates - Structural Growth Drivers in Place (Initiating Coverage) - Report by Anand Rathi

Rising formalisation in the domestic market is likely to benefit organised players

DYNAMICS OF THE INDIAN LAMINATES MARKET	
Market size	₹5,000 crore
Exports	₹1,050 crore
Domestic market	₹3,950 crore
Organised	₹2,560 crore
Unorganised	₹1,390 crore

Stylam: Growth strategy

Enhance market share in the domestic market

Focus on innovation to launch products with differentiated finishing and sizes

Capacity expansion; total of ₹ 40 crore

- Install a hot coating line for value added products
- Expand capacity for regular size Laminates
- Commercial production in FY20

Business consolidation and foray into new segments:

- Business consolidation with associate concern Golden Chem-tech
- Entry into acrylic solid surface panels, better known as artificial marble/ Corian

Stylam: Investment case

Strong brand recall

- Strong brand recall across India and in 60+ export markets
- The 'STYLAM' brand comprises over 1,200 designs, textures, colours and finishes
- Winner of Power Brands Rising Star Award 2016

Diversified product portfolio

- Offers products across decorative laminates, high-pressure laminates, exterior cladding, exterior floor boards and cubicles segments
- Introduced acrylic solid surfaces in 2018

Consistent financial track record

- Achieving profitable growth has been a key focus area for the Company

5-year CAGR

Revenue 19.2%

Net profit 37.6%

Healthy growth prospects

- Capacity expansion to aid Stylam's growth in both domestic and international markets

**Current capacity
11 million**

Value accretion post amalgamation of Golden Chemtech Ltd.

- Received SEBI approval for amalgamation of Golden Chemtech Ltd. with Stylam Industries Ltd.
- Commenced commercial production of acrylic solid surfaces under the brand name 'Granex'
- The amalgamation is expected to be value-accretive due to diversification of products offered by Stylam
