Stylam's journey has been a fascinating one, marked by evolution and a commitment to changing the landscape of building materials. Over the span of 3 decades, we have navigated through countless seasons, each shaping our vision and strengthening our resolve. Today, as we stand at the crossroads of history and opportunity, we reflect on a remarkable past and a future brimming with possibilities.

The year was 1991, a pivotal moment when the concept of enhancing interior aesthetics took root. It was the birth of Golden Laminates Ltd., a venture dedicated to crafting Luxury Decorative Laminated Sheets for both residential and industrial applications. Over time, we evolved into Stylam Industries, a name synonymous with innovation and excellence. Our brand flourished, steadily gaining recognition as a pioneer in the creation of advanced interior and exterior design solutions.

Certification

In 33 years, we have achieved what only a few dreams of. Truth is, we just keep on going, with what we have decided. And then everything else...just follows.

The ISO 9001: 2015 certification is a hallmark of integrity, quality and reliability. The design and efficiency of the laminates have earned us the CE Marking Award. Stylam takes pride in being recognized as an export House by the Government of India. We met all quality, safety and green standard and operate as a responsible corporate citizen.
